#### Overview

La Quinta Resources Corp. was formed in 2004 within a business model that married the pragmatism of owning dynamic precious metal projects in a progressive resource dominated political regime with the effectiveness of a well balanced and multitalented management group. This group has the expertise to seek, appraise and secure additional exploration and development opportunities in the broader global arena at a time when resource issues are expanding in importance in equity markets.

La Quinta is currently operating the following exploration project:

1. Easter Property, Lincoln County, Nevada USA [Gold and Silver]
2. Black jack Property, Elko County, Nevada USA [Silver, Lead, Zinc]
