LA QUINTA INCREASES A NON BROKERED PRIVATE PLACEMENT TO \$1,192,500 DOLLARS FOR EXPLORATION IN DEMOCRATIC REPUBLIC OF CONGO AND MEXICO

La Quinta Resources Corp (“La Quinta or LAQ”) is pleased to announce that it has increased a non brokered private placement from \$1,000,000 to \$1,192,500 for sale to accredited investors. The terms of the private placement are the sale of 5,962,500 units consisting of one share and one half share purchase warrant for a unit price of 20 cents (\$0.20) per unit.

Two half share purchase warrants entitle the holder to purchase one share in the Company at an exercise price of 35 cents (\$0.35) per full share purchase warrant. Warrants will be exercisable up to six months after the date of closure of the placement, subject to certain acceleration clause.

Eight percent (8%) finders fees will be paid to accredited brokers or financial institutions. Eight percent (8%) finders fee warrants will also be granted to accredited brokers or financial institutions at an exercise price of 35 cents per share; exercisable up to six months from the date of closure of the placement.

The Company will use the funds for exploration expenditures in DRC and Mexico plus General Working Capital.

La Quinta is a publicly held Canadian natural resource mining company focused on exploring for precious metals principally in Mexico and Democratic Republic of the Congo. The Company is led by a highly skilled, experienced Board and management team with significant successes in finding and developing early stage gold and base metals projects.
